### Further information

1.

The electricity boxes are freely accessible so that you can connect yourselves.

It is not necessary to write down a meter reading, as the electricity flat rate covers a consumption of approx. 6 kWh/day. The power boxes are fused with 10 amps.

The use of air conditioning is only possible after consultation, the operation of electric heaters, fan heaters, etc. is not permitted.

2.

We offer a daily bread roll service. Please place your order at reception by 17:00 the day before or use our information board in front of reception.
